Bellasera Hotel....ZiZi's

Members and guests crowded ZiZi's last Tuesday evening...exciting conversation about last months ski trip and waiting for the meeting to start at 7pm.

President Bill Harding welcomed approximately 60 people in attendance. The treasurer's report by Patrick Forbes was good news....we have \$4,980 in our account.

Minutes of the last meeting were waived...

President Bill reminded everyone of the next "Rendezvous" which will be February 22nd (actually the fourth Thursday, not the third Thursday this month). Mike Agnew of Vail Resorts, Inc. did a video presentation on trips that could be scheduled for 2008....included were:

Vail...voted #1 destination in the World; Beavercreek; Breckenridge; Keystone; Heavenly and Lake Tahoe....

Mike also had a "gift" table of goodies and everyone helped themselves...

Tonya Van Buren, VP of trips gave a synopsis of the trip to Crested Butte...Bill Harding thanked her again for putting on a very smooth enjoyable trip. Tonya requested volunteers to step forward to run a trip in 2008...she offered her help also.

Joanne Remington brought the pictures she had taken of the Crested Butte trip...telling everyone to take their pick of a picture they would like....

Mike Agnew will be sending out info on a Spring trip to Vail, date would be April 15 to 22nd and it would be offered with special rates....We would need at least 10 people going to get good air rates.

President Bill Harding talked about a possible August/Sept ski trip to Argentina...this was a very successful trip for the Miami club last summer.

Meeting adjourned and Mr. Agnew and Vail resorts treated everyone to cocktails...this gave everyone more opportunity to ask questions about upcoming trips and destination possibilities. Thank you Mike!
