

Naples Ski Club
Minutes of Meeting – 9 January 2007

The Naples Ski Club met on 9 January 2007 at 7:00 at Bellasera. Approximately 25 members and guests attended. President Bill Harding welcomed everyone and thanked members for their support during 2006. He thanked Charmaine Powers for maintaining the website, Pat Mead for correspondence, and Tonya Van Buren for her work on the Crested Butte trip. He also recognized Jodi Wheeler for her work on the Christmas party and Taylor Wells for hosting the party at the Von Liebig Arts Center.

Treasurer Pat Forbes reported that the club will break even on the Christmas party. To date, we've taken in \$855 and spent \$755. The club now has about \$3,100 in the treasury.

Bill announced that future rendezvous events will be held on Thursday evenings at 6:00 at Bellasera because there's live jazz music and attendees will be able to attend events afterward on Third Street and Fifth Avenue. The first rendezvous will be on 25 January.

At the next meeting on 6 February, Mike Agnew and other representatives from Vail will give a program on their resort. There will be drawings and giveaways.

Bill reported that our club has met the requirements for membership in the Florida Ski Council, and we will request full membership in the spring.

Tonya Van Buren gave an update on last-minute details for the Crested Butte ski trip, which departs 14 January. She said skiers could order rental equipment over the internet. She reminded skiers that the bus will leave the Naples airport for Miami at 4 a.m., and skiers may leave their cars in long-term parking (free).

The meeting adjourned at 7:45.
