

## *Naples Ski Club*

March 6<sup>th</sup>, 2007

Minutes

The March 6th meeting was very well attended in the upper conference room at the Bellasera Hotel. A motion was made to dispense with the business meeting because of a hosted cocktail party by Greg Bloch of Westate Park City Resort & Spa....

President Bill Harding introduced Greg Bloch who gave a presentation on the Westate Park City resort located in Park City, Utah. An excellent video was shown and information distributed.

An update was given on the **Spring ski trip to VAIL.. April 16-23, 2007** and a presentation was made on the late summer trip to Argentina, August 19-26, 2007. The consensus was that Naples Ski Club would like to do the Argentina trip.

Next "Rendezvous".....March 22nd...6pm Zizi's.....
