Steamboat Ski Resort, located just outside of Steamboat Springs, Colorado, is a premier ski destination famous for its Champagne Powder®. The resort is situated across seven mountain peaks within the Park Range and overlooks the Yampa Valley. The area has a rich western heritage and is one of the largest ski resorts in Colorado. Steamboat Springs has been dubbed Ski Town, U.S.A. due to the fact that more Olympians call Steamboat home than any other ski resort. Spectacular trails, breathtaking vistas, and west-facing slopes that catch the sun are all part of the picture. There are more than 2,900 acres of skiable terrain and trails to choose from, including wide open meadows and Steamboat's challenging tree skiing...something for everyone from novice to intermediate to expert skier.

With 18 lifts providing access to over 160 runs ranging from 14% Beginner, 42% Intermediate, 44% Advanced, you are sure to find something that suites your skiing ability.

Steamboat is more than just skiing. Immerse yourself in western heritage with horseback rides, snowmobiling, sleigh ride dinners, hot springs, spa services and more. Ice Skating, NASTAR Race, Après Ski Events, Hot Springs, Cross Country Skiing, Snowmobiling, Dog-sledding, Snowshoeing, Sleigh Ride Dinners, Spa Facilities and Shopping. These are optional and priced separately from the trip price. There's no shortage of activities available for those looking to experience the playground wonderland that is Steamboat Springs, Colorado.
